I am happy to know that Government of India Secretariat Co-operative Thrift & Credit Society Ltd, is launching its website in the General Body Meeting of the society to be held on 19.10.2012.

The society has been serving Central Government employees in various ministries / departments in Delhi and is having more than 5500 registered members.

It is proud moment for the society to have a website of its own which will enable the members and beneficiaries to get access to the latest information of the society.

I extend my good wishes to the society and its members on this occasion.
